

**DUOS
ASINOS**
consulting

Duos Asinos Consulting doo is a growing company founded and based in Belgrade, Serbia, specializing in Information Technology and graphic & design services. Our experience spans from designing and building complex custom solutions for various industries, from telecommunications, retail, ecommerce, business intelligence, to hospitality, point of sales, manufacturing, document management, production processes, and many more.

Our team is growing, and we are looking for an experienced IT professional for the role of:

Senior Product/Visual Designer

A new team based in Serbia will join forces with our client's existing IT division working in North America. The client is an innovative, world-wide renowned front-runner in its industry, with a huge user-base.

What we are offering:

- Four-day working week as an option
- Healthy and friendly working environment with young talent and experienced leaders
- Choice of remote work from home or from our lovely offices
- Private health care
- Competitive salary
- MacBook pro equipment
- Paid sick leave
- Generous and flexible off-days options
- Support for new moms & dads
- Social events
- Opportunity to prove yourself, apply your skills and learn new ones
- Innovation-driven projects with cutting-edge technology
- Caring management

Requirements:

- 5+ years of relevant professional scaled design experience
- A solid foundation in typography, layout and design
- Good understanding how the design impacts business KPI's.
- Excellent eye for aesthetic design and customer appeal
- Deep understanding of mobile design patterns as well as well-honed instincts about what works and doesn't, along with the openness and curiosity to be proven wrong by data
- Solid track record of shipping amazing customer experiences, with elegant and simple UI that delivers business results.
- Expert with UI Kits, Style Guides, and integrated Design Systems
- Expert designing and prototyping mobile app experiences including motion design, transitions, and micro-interactions with tools such as Sketch, Adobe CC, Lottie, and Invision / Invision Studio
- Comfortable with ambiguity and uncertainty, creative and strategic mind and execution tactics, and always improving on the status quo
- Confidence and a willingness to learn.
We want to learn with you and learn from you.

If you find yourself suitable for this position, please send us your CV to office@duosasinosa.com
